

## 2020/2021 Youth Participant Behavior Covenant

As representative of Christ and His Church, we, the participants in the St. Paul's Youth Group/Fellowship, take very seriously our responsibility to care for one another. This covenant represents our affirmation of our concern and well-being of the total community. We covenant with each other to insure the safety of all, to make our time together most meaningful, and to care for the facility which we share.

*In addition to our general concern for our community, we agree specifically that:*

- I will pray for my fellow youth members, our church, our leaders, and our community.
- I will use language, behavior, and attitudes, which are consistent with the Christian faith.
- I will do my part to respect church property and keep the youth space clean.
- I commit to the values of honesty, trust, openness, integrity, and love of neighbor.
- I will commit to being fully present during our times together and to not use my cell phone during youth events, unless expressly permitted. Phones to go in "phone prison".
- I will not use tobacco products, alcohol, or other illegal substances.
- I will respect the person, property, and opinions of others. I commit to building others up, seeking to find Christ in each person, and being inclusive to all.
- I will commit to using positive problem-solving skills and conflict resolution in disagreements. I will seek reconciliation and be an agent of harmony and peace.
- I will participate in all activities and discussions to the best of my ability.
- I recognize that I am a witness to others of the love of Jesus Christ and will do my best to share my experiences with others and invite them to participate.
- I will spend time with God and grow in the love of the Lord with my whole heart.

This covenant is made between each person and the whole group. I understand that if I break the covenant, and if the brokenness cannot be reconciled, that it may result in my inability to participate in future youth activities.
